

# MUSIC THEATER HERITAGE

## 2023 RESIDENCY PROGRAM

---

### GENERAL INFORMATION

THEATER ARTISTS / COMPANIES BASED IN KANSAS CITY  
AREA ARE ENCOURAGED TO APPLY

***Applications for Artist/Company in Residence must be submitted no later than  
5:00 pm on TUESDAY, JANUARY 31st, 2023***

One residency will be selected for the 2023 season.

**MTH will provide the following for the 2023 residency:**

### PERFORMANCE SPACE

MTH houses multiple stages, production facilities, studio space, public lobby, fully equipped with theatrical lighting and sound equipment.

In your application, please indicate from the following options which performance space you would prefer and why:

**Main Stage Theater**  
**Ruby Room**  
**Studio**

Performance Space can be used for three weeks, including tech rehearsals and performances of new work. Full Production is required for this residency. Residency is open to theatrical productions, music performance, dance performance, poetry, variety shows, etc.

*Please note: MTH is allowing the use of the theater space as part of the residency Program without cost, **not** renting the space.*

### MARKETING ASSISTANCE

In your application please detail any marketing assistance you would desire and describe how that assistance would further your artistic mission.

### TICKETING ASSISTANCE

MTH will handle all ticketing and box office operations.

## CALL TO ARTISTS

# MTH 2023 RESIDENCY PROGRAM

---

**Music Theater Heritage Residency Program** is designed to cultivate equitable access for local artists in and around the Kansas City area. The program is an initiative towards recognizing and supporting artists in the community, in the same spirit as other organizations who have helped and supported MTH's growth throughout the years.

## DETAILS

**Music Theater Heritage Residency Program** is offering free access to one of three theatrical performance spaces, production facilities, and public lobby to exceptional artists for the 2023 Season. This residency will be designed for you and curated to the needs of your production, and proffer input from our network of theater professionals. Program offerings include performance space, tech rehearsal, lighting, sound support, ticket handling, and potential marketing assistance. Participation in the residency program will reinforce MTH's values in encouraging innovation, producing authentic art, providing inclusive access, and creating sustainable community engagement.

**Music Theater Heritage is located** within the 85-acre Crown Center complex welcoming more than five million visitors each year. This residency will place artists directly into the beating heart of Kansas City offering them an opportunity to inspire Kansas City with their artistic vision.
